

## **BOWLS ALGARVE OPEN TRIPLES AT PEDRAS 5 – 6 – 7 JANUARY 2026**

Providing I can get decent internet access the scores will be updated after each round of matches on the website portal at

<https://www.tournifyapp.com/live/batriples>

or scan this QR code

A couple of notes. The website platform uses American English. Standings = tables for the group stages. Also, because it's essentially one for football and rugby, GF = shots scored, GA = shots conceded and GD = shot difference.

All scores will be updated as soon as matches are finished.

The qualification for the quarter-finals is that the five group winners plus the three best runners-up will go through. The runners-up calculation will not be straightforward because of the uneven size of the groups. You may therefore have to wait a bit until the quarter-final draw is confirmed.
