

Len Matthews Trophy – Club Singles 2022

In the first and second round all games will be 12 ends. The No. 1 and 2 will play first and No. 3 will referee. No. 3 will then play the loser of game 1, and so on. The semi-finals will be 18 ends and the Final will mirror the BA singles format of first to 21 shots.

Scoring will be 2 points for a win and 1 for a draw. 9 bowlers will progress from the first to the second round on Wednesday morning at 10.00 based on their ranking from round 1 - the 6 group winners, plus the Bye (Nick Gooch – lucky sod, 2 years in a row!) and the 2 best 'lucky losers'. Rankings throughout the tournament will be decided firstly on points, then by shot difference, then by highest shots scored. If this doesn't provide a result a coin will be tossed to determine final positions.

The 3 second round group winners and luckiest loser will play in the semi-finals at 10.00 on Thursday and the 2 winners will meet in the Final on Friday afternoon.

The Groups drawn are:

Group A:- **1)**Carol Hunter **v2)**Mark Richards **v3)**Jim Bateman

Group B:- **1)**Peter Barker **v 2)**Ian West **v 3)**Eddie Vine
